## Requirements for sending goods for Calibration

### Commercial Invoice

Original purchase value  
Serial number if possible  
Country of origin  
Terms of Sale (i.e. Xworks FOB, Prepaid)  
Description  
Date

Clause "U.S. Goods Returned for Calibration"

In order to expedite clearance thru customs and turnaround of calibration services if you email the Commercial Invoice to us before shipment it will enable us to provide you with a Manufacturer's Affidavit and sales order number to accompany shipment.

Manufacturer's Affidavit is need for customs purposes acknowledging that goods were manufacturing in USA and are return to alleviate duty.

Sales order Number gives us a heads up that your goods are arriving.

PMC will send a copy of Manufacturer's affidavit and Sales order acknowledgement for you to include with shipment. We will also send copy to our Broker or your broker of choice to watch for your shipment.

There are no duty charges for goods coming in for calibration but there are charges for clearing thru customs.
